Craig and Mike,

As you can see the emails below, the December 15, 2016 Information Request letter for Tradebe's SDS system might contains a CBI as claimed by tradebe. Since we don't have any specific information about the confidential nature of the letter, we can't mark the Letter as a CBI.

However, please don't release the letter to the public until we receive more specific information of the letter for its CBI nature.

If you receive any FOIA request of the letter, please let us know.

Thank you for your cooperation in this matter.

Jae Lee

Thank you Jae and I apologize. In my hast of generating my email to you to protect the confidential information I meant to include a statement that we are presently reviewing the USEPA's questions and will identify today the questions that contain confidential information.

I will get right back to you.

Respectfully,

Tita
